All bulbs offered are true to name, standard size, and free from thrips. It has been our policy in the past to furnish strictly first class stock at fair prices. We expect to continue this service. We wish to express our appreciation to our friends who enabled us to sell out completely last season. We have a larger stock of high crowned young bulbs this season and trust that we will be able to fill all orders. We strongly advise early orders this year, as a few of the more popular varieties are sure to run low later in the season and we predict that prices will rise. TERMS: All prices F.O.B. Wayland. 3% discount for cash in full with order. 25% deposit, balance C.O.D., or before shipment is made. 250 bulbs at 1000 rate, smaller amounts 20% additional. No order for less than \$3.00 filled from this list. Varieties marked with a star (\*) are adapted for greenhouse forcing.
